

Ronald W. Reagan

Leadership Program

FULL TUITION SCHOLARSHIP

Join one of the most prestigious and innovative scholarship programs in the nation! The Ronald W. Reagan Leadership Program, founded by President Reagan, offers an unparalleled educational experience for students who exemplify Eureka College's core values of learning, service, and leadership.

REAGAN FELLOWS RECEIVE:

Full-tuition scholarship for four years
(Room, Board, and Fees not included)

Global travel experiences
(Including a week-long group trip abroad)

Up to two on-site mentorships with global leaders
(Past locations include Switzerland, Australia, Mexico, Boston, London, Hawaii, Costa Rica, and Zimbabwe)

Each year, up to four Reagan Fellows are selected based on their leadership potential, academic excellence, and dedication to service. Applicants are invited to participate in one of two scholarship competitions (either virtual or on campus), which play a key role in the final selection process. Finalists will complete additional virtual interviews following their competition, with awardees being notified in early December.

ABOUT THE SCHOLARSHIP

The Ronald W. Reagan Leadership Program offers all selected students a four-year tuition scholarship (not including room and board). In addition to this scholarship, all selected students will travel together on an international trip (recent trips have visited Spain, Ireland, and Sweden). Likewise, all selected students receive individual and group leadership training with program faculty and invited guests. Finally, all selected students participate in a mentorship experience designed to further the student's career and vocational goals.

HOW TO APPLY
RLP.EUREKA.EDU

Students must RSVP and attend either the online or onsite scholarship competition, held during the fall semester. To learn more about the Reagan Leadership Program, visit our website by scanning the QR code above.

COMPETITION DETAILS

Competitions include interviews, socializing with current RLP fellows, and a group leadership activity. Finalists, selected based on competition performance, GPA, and other materials, will be invited for individual interviews in late November to determine scholarship recipients. We welcome applications from students of diverse backgrounds who have demonstrated leadership in various areas, such as academics, community service, business, athletics, religion, and family.
