

Cerro Gordo Jr./Sr. High School Emergency Remote Learning Day

In the event that school cannot be open for students due to snow, winter conditions, or other emergency situations CG Jr/Sr High School may provide instruction via a remote learning day. An announcement will be made at the time of the school closure via email, texts, and local news outlets.

All students will be marked “Present” unless a parent calls the office to notify the school that the child is sick. Parents should follow normal call in procedures. All assignments and activities will be posted in Google Classroom by 8:30 AM. Assignments will be due the next school day and will be graded. Extensions may be granted on an individual basis due to issues with technology or other circumstances.

Teachers will be available to assist students and answer questions via email from 8:00 AM-12:00 PM and from 12:30 PM-2:00 PM. Teachers will also host a Google Meet that students can attend for instruction and assistance with work (see schedule below).

Accommodations for students who have IEPs will be made in advance of assignments being posted. Students will have the opportunity to meet with their special education teacher via a Google Meet for additional assistance.
